Aim high for Marie Curie Cancer Care's “THE BIG SHOOT”

PULL...the trigger and have yourself an amazing day out at Marie Curie Cancer Care's Clay Pigeon Shooting and Outdoor Pursuits Challenge.

Saturday May 16, 2009

Field of Dreams,
55 Upper Gransha Road,
Bangor

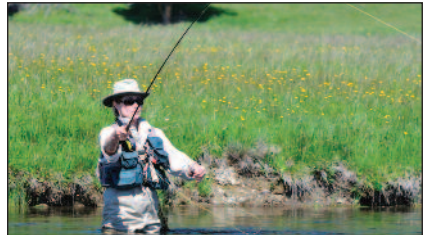

Lock, Stock & Two Smoking Barrels...

Ladies & Gentlemen, have you ever imagined yourself like a movie star? Get into the part, throw caution to the wind and join with us for a fabulous day of field sports including Clay Pigeon Shooting, Fly Fishing, Archery & Off-Road Driving!

Experience this unusual challenge as an individual or enter as a team.

We ask all participants to register for £20 (which is non-refundable) and raise a minimum of £100 sponsorship per participant.

Why should I take on the challenge?

- **AIM** - to raise crucial funds through your sponsorship.
- **FIRE** - now that you are fired up, get your fundraising underway by asking your friends, family and work colleagues to sponsor you.
- **HIT** - your sponsorship target will provide nursing care for terminally ill patients throughout Northern Ireland.

Appropriate clothing & equipment

As this is an outdoor field sports day we would recommend that you come prepared with wellie boots, warm fleeces and waterproofs in case the weather is unkind to us. Please also be prepared should it be a warm day with lighter clothes and training shoes - don't forget the sunscreen!

Your local Marie Curie Hospice actively promotes quality of life for people with cancer and provides support for their families, completely free.
